IMMUNIZATION EXEMPTION

Student Name: _____ **DOB:** _____ **Grade:** _____

Under Maine state law, the minimum requirements for immunization include:

- 4 or 5 doses DPT (diphtheria/pertussis/tetanus) vaccine (depending on when given)
- 3 or 4 doses oral polio vaccine (depending on type & when given)
- 2 doses MMR vaccine (measles/mumps/rubella)
- Varicella (chicken pox) vaccine. 2 doses are required after age 13 or documentation of disease or blood test showing immunity by physician is acceptable proof of immunity

Parents requesting exemption from any of the above-listed immunizations need to provide a written statement annually detailing the medical, religious or other reasons for exemption. Reviewing and signing original statement is acceptable to meet annual requirement.

Please note: Students exempted from immunization will be excluded from school if one of the diseases for which immunization is required is identified in the community until either the danger of outbreak has passed, or the student contracts the disease and completely recovers.

Please specify below (or on an attached page), vaccines not received and outline reasons for exemption:
