You can expect lots of support in these roles, both from the school and from other parents, and it's a great way to get to know the school, faculty, staff and the parent community well. PA recruits for these positions in early spring, so please indicate if you'd be interested in talking to someone about one of these roles for next year:

_____ **Other** – Is there anything else we've missed? Do you have a unique skill or interest you'd like to share? Is there anything else you'd like to tell us about your volunteer availability? Please let us know how you'd like to get involved with your child's school!
