

AFTER-SCHOOL PROGRAMS

Location: North Yarmouth Academy

Time: 3:15 -4:15 pm

TAKE A BITE OUT OF SCIENCE

In this sampler "course" children unravel the mystery of chemistry and watch crystals form in a water glass, experiment with hovercrafts, build and take-home Technicolor Blenders to demonstrate Newton's color wheel invention. Watch stardust burn, walk in the shoes of a detective and examine fingerprints, mystery powders, ink samples, and teeth impressions. Get bug eyed with an Insect-A-Vision take home that gives you an insect's point of view. Whether you like your science savory, spicy, or sweet, this class is sure to satisfy your curious appetite. No food is consumed in this class.

Day: Tuesday

Dates: 1/22/19 to 3/19/19 * No class on 2/19, 3/5 and 3/12

Grades: K-5

Price: \$106.00

MISSION CODE

In the Mad Science Mission Code program, kids learn and apply the basic principles of coding in a fun and educational game-like environment. The program helps them strengthen their math skills, visualize abstract concepts, and engage in creative problem solving. It also prepares them for a world where digital literacy is as important as reading and writing. Students get access to the online coding platform for a whole year to continue their learning at home!

Day: Thursday

Dates: 1/24/19 to 3/21/19 * No class on 2/21, 3/7 and 3/14

Grades: 4-5

Price: \$106.00

RADICAL ROBOTICS

Join Mad Science for a hands-on After School program all about Robots! Children will discover how robotic devices use sensors to learn about their environment and how people use robots to get work done. They will explore the mechanical aspects of robots, circuitry, and programming. Have fun building and navigating robots through obstacle courses and even build their very own robot to take home with them! Mad Science has spent years developing robotics programs for elementary students; we can confidently say that we have robotics down to a science!

Day: Tuesday

Dates: 4/9/19 to 6/4/19 * No class on 4/16/19

Grades: K-5

Price: \$130.00
