

## **Monthly Payment Plan (Optional)**

---

### **Administered for North Yarmouth Academy by FACTS Management Company**

To help you manage your student's education expenses, North Yarmouth Academy (NYA) is pleased to offer payment plans that allow you to spread your student's tuition expenses over smaller monthly installments, paid over the course of the school year. Your only cost to participate in a monthly payment plan is a \$55 enrollment fee.

NYA offers two monthly payment plans, a 12-month plan with monthly payments beginning on April 15 and a 10-month plan with payments beginning on June 15. Payments for both plans end on March 15. Payments are made by electronic ACH and automatically deducted from your checking or savings account.

These options are popular with many families because they provide greater flexibility and control over savings. These monthly payment plans are administered by FACTS Management Company (FACTS), whose services are used by many local schools and over 7,000 schools nationally.

Enrolling in a monthly payment plan is simple, convenient, and secure. To sign up, simply visit <https://online.factsmgmt.com/signin/3J5S3> and follow the instructions to enroll in the payment plan of your choice.

After you have completed the enrollment process, you will receive an email confirmation with the payment plan information. Once the monthly payment plan has been established, you will be able to log in to your account to check the status of your monthly payments.
