

Important Forms - Health and Safety Action Agreement and Acknowledgement of Risk Form for Lower School Families

August 18, 2020

Dear Families,

Thanks to all of you who were able to join us for our division-level Zoom meetings last week. During those meetings, we indicated that we would send you the [Health and Safety Action Agreement](#) and [Acknowledgement of Risk Form](#). **Please carefully review the forms and electronically sign them no later than Wednesday, August 26.** These forms must be signed before students return to campus.

We have been planning for a return to in-person instruction since May, and we are looking forward to welcoming our students back to campus on September 8. Throughout the process, the health and safety of our students, faculty, staff, families, and the greater community has served as our guiding principle. All members of the community have an essential role in our return to campus. The Health and Safety Action Agreement details the roles, responsibilities, and expectations of each member of our community. Adherence to these guidelines is essential for a safe return to classroom instruction this fall.

Next week, we will forward addenda to the Family and Student Handbooks. These addenda will reiterate many of the expectations outlined in the Health and Safety Action Agreements and share details on other logistical changes and expectations as a result of the pandemic.

We will continue to share updated information as it becomes available. We appreciate your commitment to NYA and look forward to a return to classes this fall.

Sincerely,

Ben Jackson
Head of School
