

# Enjoy Peace of Mind with MyKidsSpending

## **NYA offers two dining outlets:**

1. **The NYA Cafe** serves daily hot lunch, sandwiches or grill specials with a fresh and abundant salad bar and dessert station. When dining at the NYA Cafe, students are offered a four-piece lunch, including:

1. Hot entree with side dishes OR sandwich OR grill special
2. Unlimited salad bar
3. Dessert
4. Milk or spa water

2. **The NYA Market** is a retail shop that offers students a variety of healthful snacks, bottled beverages and quick bites. The Market is open to before and after school for Middle and Upper School Students to make purchases when they arrive early or extend their day with activities.

## **Families can choose from different Meal Plan options and manage student's electronic declining balance payment system through MyKidsSpending.com. NYA Meal Plans include:**

### ● **Meal Plan Option A - FULL YEAR**

Register for a Full Year Meal Plan now and never have to worry about adding funds to your student's account. Plus, you can join now and receive a 10% bonus, which gives your students extra Dining Dollars to spend in the retail Market. NYA offers a 10% bonus on Full Year Plans only. Full Year Plans must be paid in full and are non-refundable. See Full Year Meal Plan rates below. Dining Dollar bonuses will be added directly to your account. See amounts below.

### ● **Meal Plan Option B - PAY AS YOU GO**

Not ready to commit to a Full Year Plan? Load Dining Dollars onto your student's declining balance account and they can pay a door rate to enter the NYA Cafe. Students participating in this plan are still afforded a four-piece meal from the cafe and will pay a daily door rate, but there is no additional bonus with the Pay As You Go Plan. See door rates below.

### ● **Declining Balance Dining Dollars**

In addition to or in lieu of joining the Meal Plan, families can add declining balance Dining Dollars to their student's account. Dining Dollars can be used to pay the Cafe door rate for lunch, i.e. Pay As You Go, and/or buy breakfast, grab 'n go meals, and snacks from the Market. Please be aware that items sold in the Market are not included in the Meal Plan, and are an additional cost. Unused Dining Dollars roll over to the next school year or are credited to graduating students.

	Full Year Meal Plan ( <i>non-refundable</i> )	Dining Dollar Bonus*	NYA Cafe Door Rate
Lower School (grades 1-4)	\$869.00	\$86.90 (Discount*)	\$5.50
Middle School (grades 5-8)	\$1,106.00	\$110.60	\$7.00
Upper School (grades 9-11)	\$1,343.00	\$134.30	\$8.50
Seniors & Faculty/Staff	\$1,164.50	\$116.45	\$8.50

\*Lower School Only: Because lower school students do not have access to the market, they will receive a discount when purchasing the full year meal plan in advance. Lower school students may also opt to put money on their accounts and purchase meals on a daily basis.

## **Here's how to join:**

- **New Students-** Each new student will be issued a Dining Service ID Number; parents/guardians use this number to enroll students in the Meal Plan and/or deposit funds into a declining balance Dining Dollars account. With your student's school ID number, visit [mykidsspending.com](http://mykidsspending.com) to set up your student's account.
- **Returning Students-** Families can continue to use their login and student ID number to access their existing MyKidsSpending account for the new school year. Visit [mykidsspending.com](http://mykidsspending.com).

## **Here's how it works:**

MyKidsSpending is linked directly to your school's student ID. MKS is easy to use and helps us speed students through the checkout line.
