

## Hosting Opportunity for Homestay Students

In addition to its boarding program, North Yarmouth Academy has a long tradition of welcoming students from across the United States and around the world. In recent years, NYA has hosted students from Austria, Ukraine, China, Canada, Germany, Korea, Spain, India, and throughout the United States. Many of these students live with local host families, becoming an important part of both the NYA community and family life at home.

A strong homestay program enriches the entire school community by fostering meaningful cultural exchange and bringing diverse perspectives to campus. Hosting an NYA student is a rewarding opportunity to build connections, share experiences, and support a student during an important chapter of their educational journey.

We hope you will consider becoming a host family or share this opportunity with someone who may be interested. Current and former NYA families, faculty members, and members of the greater community have all served as wonderful hosts.

Host families receive a generous stipend to help cover the student's living expenses.

## About North Yarmouth Academy

North Yarmouth Academy is an independent, college-preparatory, coeducational day and boarding school serving students from toddler through postgraduate. Located in Yarmouth on the Maine coast, NYA is just 10 miles from Portland and fewer than two hours from Boston.

Since 1814, NYA has fostered integrity, character, and intellect in its students through challenging academics, competitive athletics, and a supportive community that prepares students for success in college and life.
